Inclusive Behaviors

What People are Saying

“I was able to truly get to **know** my teammates better”

“All the tools are so **useful**, I will continue using all of them.”

“**BRILLIANTLY
DESIGNED**”

“We’ve done multiple sessions together and each time I leave with a **smile** on my face and a deep appreciation for what you and your team do for our team.”

“After this experience, I will **ask** my peers more often how they are, how their **reality feels.**”

Today, more than anything, we are delivering the ACE Team Experiences.

These [virtual and in person](#) experiences help teams with what they most need now.

“They changed us for the better and made us feel like we were in the room.”

De’Angelo Wells, Director of Diversity Equity and Inclusion at Portland General Electric

“We got some really great insights about each other.”

Scott Dawson, Dean at University of Colorado-Denver College of Business

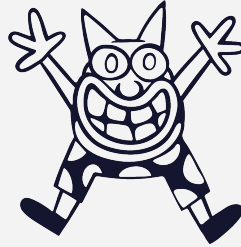

And, yes, we are
also booking
work in the real
world for 2022.

**A Little Bit More
Background About On
Your Feet ...**

MORE JOY. LESS FEAR. BETTER RESULTS.

We are a collision of business, art, and science that designs and delivers the most interactive and impactful *experiences* for the world's most innovative brands.

The mission is to bring more joy, less fear, and better results to *Ideation, Culture, Teams, Meetings, Conferences, and Training.*

Art

We are world leading improv artists, designers, and visual communicators who know how to create the most **interactive and impactful experiences**.

Business

We are business experts, facilitators, and professors, who know how to **experientialize ideas practically** and scale learning and joy.

Science

We are world experts at the PhD level in behavioral science, that know how to **teach and apply it as well as publish** articles about it in the top journals.

Our clients are the most innovative companies in the world.*

* What makes our clients the most innovative?

No matter their size they are always looking for inspired ideas, and care deeply about the happiness and satisfaction of their people and customers.

Everything we do is a Highly Interactive Experience

- ⑥ **People learn best, remember more, and connect deeper** when they are immersed in a great experience. We draw from our expertise in collaboration, storytelling, improv, science, and design to create the most impactful experiences.
- ⑥ **For the virtual we've developed our iconic HIVES** (Highly Interactive Virtual Experiences), our unique way to deliver virtual trainings, meetings, conferences, and experiences that are more effective, joyful, and often get you “on your feet.” Read the science behind it!

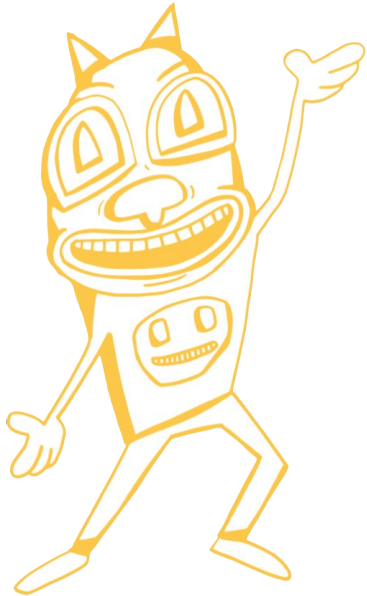

We help the world's most innovative companies meet, upskill, create, communicate, and collaborate.
